

DELHI PUBLIC SCHOOL ALIGARH
CIRCULAR / SESSION :2018-19/ Playgroup - X

DPSALG/Cir18-19/102

Date: 22.10.2018

Dear Parents
Greetings from DPS Aligarh!

Health is Wealth and in order to preserve this wealth, the State Government of UP has started a campaign to control Communicable diseases like Measles and Rubella. As the first step our school, under the direction of the local administration, has undertaken to vaccinate the children of all the classes (Playgroup to X class i.e. 9 months to 15 years of age children) with the MR Vaccination to prevent the diseases like Measles and Rubella.

As per discussion with local medical authority, It is to be noted that under this campaign, every child will be immunized whether he/she is immunized earlier or not. This initiative is supported by the Health and Family Welfare Ministry of India and UNICEF.

In this regard, Kindly fill in the Consent Form given below and send it to school by Wednesday October 24, 2018 along with your ward without fail, so that required number of vaccines can be arranged.

Please Note : as per instructions received from local administration, Vaccination will be done through disposable syringes.

Hoping for your utmost cooperation!

Thanking You
With warm regards,

Sharad Agrawal
Vice Principal
