

DELHI PUBLIC SCHOOL ALIGARH (JUNIOR WING)

SESSION (2016-17)

CLASS-I

HOLIDAYS'

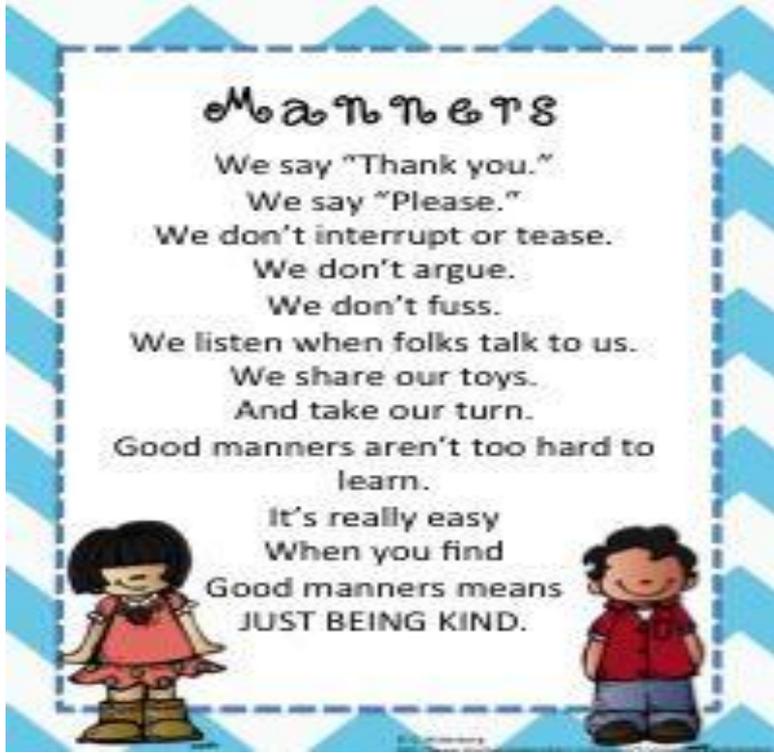

Dear Parent,

You realize that children coming to the first standard are suddenly faced with regular, supervised work in the class, and some of them find the adjustment quite difficult. We are counting on your kind cooperation to help us in our effort to make this adjustment for our children both an exciting and stimulating experience. The school is going to close for the summer vacations. Of course, this is the time when the children should have lots of fun, play exciting games, and spend quality time with family members and friends. At the same time, we want to encourage our students to remain in touch with their books, and devote some of their time in studies, as well. We would appreciate if you could help your child and ensure that your child completes the holiday's home work under your guidance.
