

DELHI PUBLIC SCHOOL ALIGARH
INFORMATION SHEET SESSION 2025-26
SECOND TERM (OCTOBER AND NOVEMBER)
CLASS - PLAYGROUP

Dear Parents,

Greetings from the D.P.S. Fraternity!

October and November are truly special months in India—marked by a series of vibrant festivals that bring families together, strengthen bonds, and remind us of the richness of our traditions. From the glow of **Diwali** to the affectionate rituals of **Bhai Dooj**, these months are a celebration of togetherness, gratitude, and cultural pride. We also take time to pay tribute to two of our greatest leaders—**Mahatma Gandhi** and **Lal Bahadur Shastri**, and later, we celebrate the birth anniversary of **Chacha Nehru**, a beloved figure who always believed in the power and potential of children. Festivals are more than just holidays—they're moments that connect us to our roots. They offer children a beautiful opportunity to learn about their heritage, understand national values, and grow up with a sense of pride in their culture. So, as the festive season unfolds, let's celebrate not just the grand occasions, but also the simple joys we are blessed with. Let's make memories, spread happiness, and cherish every moment.
