

## Pride of our School

**"To accomplish great things we must not only act, but also dream; not only plan, but also believe".**

Master, Blaster Chandray Singh, student of class 8-B, Delhi Public School Aligarh, has proved that good things come to those who are willing to sacrifice to reach a worthwhile goal. He has brought laurels to our school, especially for his achievements in Skating. He was awarded by PM Modi, under PM National Child Award 2022. Not only this but also he is a worthy holder of World Records such as-

## From the Desk of Principal

**"Educating the mind without educating the heart is no education at all."** -Aristotle

The purpose of education is to prepare the future citizens to lead their respective field with commitment, passion, empathy and outmost responsibility.

The pandemic year has been an extra ordinary challenge on account of Covid-19, however it gave us a worldwide opportunity to re thank and rearrange the strategy. Education also equips us with the skill of adaptability. We came across so many people setting an extra ordinary example of humanity at the same time there were negative stories also to sadden and taking toll on mental peace.

My vision of education is having values at the centre point. Education without values is like body without soul.

I congratulate each one for surviving the stressful two years and wish that learning from the past will make a better version of ourselves.

Together, let's learn and add the attributes like kindness, appreciation, compassion etc in our personality.

We must know that Education is not just about going to school and getting a result. It's about widening your knowledge and absorbing the truth about life.

PM Modi congratulated Chandray and gave him an e-certificate for his glorious achievements. 29 children out of 21 states were bestowed with this award. It's a proud moment for Our school, Aligarh city and for the state.

He also bagged 16 gold, 8 silver & 5 bronze medals at national, state and district level competitions in swimming, shooting, skating, Roll-Ball and Taekwondo. As per the records, he has got many other awards.

Sensing his potential as a budding Sports Star, Delhi Public School Aligarh has decided to sponsor his free education up to class 12.

## Christmas Celebration

*"Christmas is celebrated on 25th December every year. This festival commemorates the birth anniversary of Jesus Christ – the Messiah of God. Although it is a Christian festival, people from different communities celebrate it with great fervor and enthusiasm."*

*A Christmas tree is an artificial pine tree which is decorated with lights, artificial stars, flowers, toys and bells all over it. It looks beautiful when the decoration is complete. Churches are decorated with lights during Christmas and people hang star lanterns outdoors to mark the onset of the festive season. All members of the family sit and pray together in praise of Jesus Christ.*

*Kids become especially enthusiastic about Christmas as they expect Santa Claus to visit them and bring gifts to their homes on the night of Christmas Eve and the early hours of Christmas day. Presents are placed under the Christmas tree which are wrapped in gift boxes and opened on the day of Christmas.*

*Kids sing Christmas carols like, "Jingle Bell, Jingle Bell, Jingle all the way" and perform various skits celebrating the auspicious day. Christmas is a festival which is cherished by people from all faiths and religions. It reminds us of the importance of sharing, exchanging gifts and living in peace and harmony with our family and friends."*

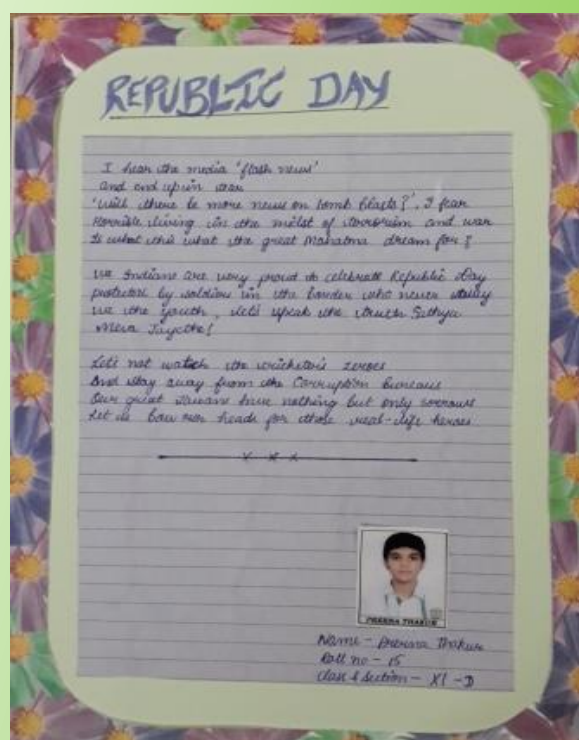

# Republic Day Celebration

Republic Day is celebrated on 26th January every year to mark the day on which our constitution came into effect in 1950. After this day our country truly became democratic and independent. The fundamental law of the country, the Constitution, was enacted out of the diligence and hard work of great men like Mahatma Gandhi and the numerous other freedom fighters who fought and sacrificed their lives for the independence of our country.

It was therefore declared a National holiday and has been recognized and celebrated as the Republic Day of India ever since. It might seem like a question that curious pre-schoolers might ask why the date was specifically chosen for Republic Day to be celebrated. It is to be noted that January 26 had a great significance in India's struggle for Swaraj or autonomy. The Congress Session at Lahore on December 29, 1929, had passed a resolution declaring Purna Swaraj or complete, absolute autonomy as India's goal. It was also decided that the 26th of January should be observed all over India as Purna Swaraj Day. The complete Independence Day was celebrated on January 26th, 1930 for the first time. It continued to be observed until 1947. On achieving Independence, August 15 began to be celebrated as our Independence Day.

## Basant Panchmi

The arrival of the spring season always brings joy on faces. Basant Panchami is celebrated across the nation for the arrival of the spring season and the festival is dedicated to Goddess Saraswati. Basant Panchami is one of the major Hindu festivals. It marks the arrival of the spring or the Basant season. The fest is commemorated by the people across India in different forms as per their regional diversity.

In northern India, Basant Panchami is celebrated as Saraswati Pooja. The fest is here dedicated to Goddess Saraswati, the goddess of knowledge, language, music, arts, and power of longing. People wear yellow clothes as a symbolic representation of mustard flowers. It is the time when mustard farms are bloomed with yellow flowers. Basant Panchami is one of the beautiful fest reflecting the culture of our nation.

***"Vaccination is one of the most important and mandatory requirement for prevention of Covid 19".***

So keeping in mind that caution is a means of prevention from disease and as Delhi Public School Aligarh is always committed to the safety of the children first, A Vaccination Camp was organized for the students of 15-18 years in which many students happily got both the doses of vaccine with the permission of their parents. A camp for the first dose of vaccine was organized on 5<sup>th</sup> in the month of January while for the second dose, the camp was organized on 15 February 2022.

After being closed for about one and a half years, the hustle and bustle was back in the primary school as tiny tots, full of zeal and enthusiasm, returned to their classrooms on 16<sup>th</sup> February 2022. The primary school had briefly reopened on March 1st, 2021 but was shut after two weeks in the wake of Covid 2<sup>nd</sup> wave. About 55 percent attendance was recorded in primary and pre primary sections on the first day of the academic session 2021-22.

"The thrill of being back at school was clearly visible among children and they were greeted with balloons, toffees and toys", said Ms. Arti Jha, Principal DPS Aligarh. The school recorded 75% attendance among pre schoolers and 51% in the primary section. Most of the parents come to pick and drop their wards by their own transport.

***We are Back!!***

## ***Class Nursery***

Animals are a gift from above for they truly define the words unconditional love. In order to make students understand importance of animals they were asked to make different puppets of animals.

Transportation is the center of the world! It is the glue of our daily lives, so our little munchkins made model of their favorite means of transport.

## Class Prep

The seasons come as a favorite bedtime story, each time the same and yet different in some marvelous way. They turn as divine kaleidoscope for eye and soul. So in order to enjoy and understand every season students made collage related to seasons.

## Class-1

The emerging artists of class 1<sup>st</sup> of our school, showcased their proficiency in the form of various varied activities. All the art works and activities depict, how learning can become easier and more interesting with the involvement of different elements of art.

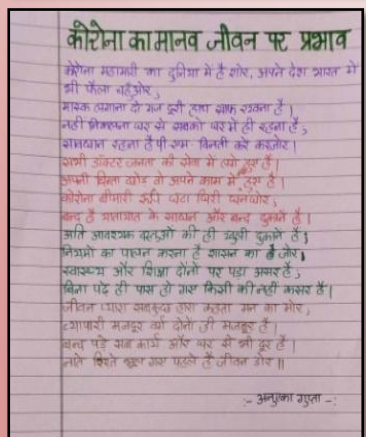

## Class-2

The budding artists of our school showcased their proficiency in the form of varied handmade paintings/ drawings. The art work created by them depicted that mathematics is not just about formulae and logics, instead it can be used to express beauty and shapes through patterns, symmetry and arrangements. The designs originated in the geometric aesthetic. Students' keen interest in making these exquisite decorative pattern was indeed an appreciative one!

**Kudos to our students !!**

# Sindi

विद्यार्थियों के हिंदी भाषा के व्यावहारिक ज्ञान में वृद्धि करने एवं भावों और विचारों की अभिव्यक्ति में सक्षम बनाने हेतु कक्षाश: विभिन्न गतिविधियाँ करायी गयीं। कक्षा 3 में कहानी एवं कविता लेखन की गतिविधि करायी गयी। विद्यार्थियों ने पशु-पक्षियों पर आधारित कविताएँ और कहानियाँ लिखीं। कक्षा 5 में विद्यार्थियों ने स्लोगन अर्थात् नारा लेखन गतिविधि की, जिसमें उन्होंने समाज में जागरुकता फैलाने एवं आदर्श संदेश लोगों तक पहुँचाने वाले स्लोगन लिखे। पर्यावरण की स्वच्छता, यातायात के नियम, जल की बचत एवं देशभक्ति जैसे विषयों को आधार बनाकर नारे लिखे गए।

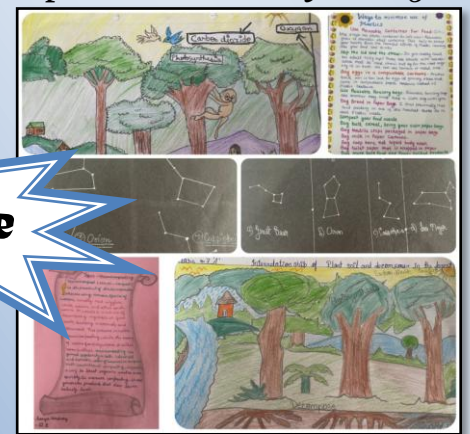

In science concept can be explained well through activities which are an integral part of curriculum in DPS Aligarh. Keeping this point in mind few activities were planned for junior classes to imbibe facts more fruitfully.

In 6th class students were encouraged to create a write up on vermicomposting to understand importance of manure over fertilizers.

7th grade students expressed their views about importance of forest through posters. In 8th class students draw different constellations beautifully.

Theme of activities of these three classes was "Environment"

All students took part enthusiastically with great zeal.

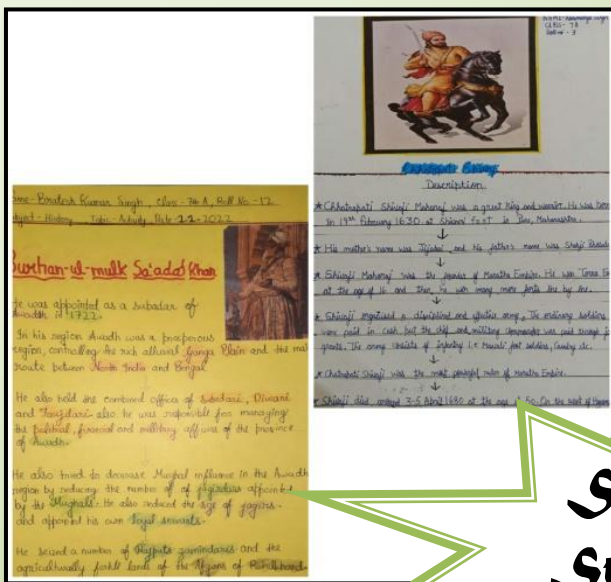

# Science

**"The King's name is a tower of strength—strong, tall, unassailable."**

Keeping this thought in mind students of Class 7 tried to highlight rulers who played a major role during 18th Century to emerge out as powerful ruler who led to the formation of independent kingdom.

# Social Studies

True patriotism hates injustice in its own land more than anywhere else. This thought is proven to be true by the students of Class 8 as they raised their own slogan after they understood the condition of India during British Rule.

# French

Le français est une langue très musicale. Sa prononciation contribue à sa mélodie. Les élèves apprennent progressivement la langue française. Ils apprennent différents types de profession, des poèmes courts, formuler des phrases, des saisons etc. Leurs idées innovantes et créatives sont représentées à travers leurs dessins et leurs rédactions

## English Version

French is a very musical language. It's pronunciation contributes to it's melody. The students are learning the French language gradually. They are learning about different types of profession, seasons, short poems, framing sentences. Their innovative and creative ideas are depicted through their drawings and write-ups.

## Makar Sankranti

India is a country with diversity and amazing culture. India has a monsoon type climate experiencing from golden summers to chilling winters and dry autumn to cheerful spring. Makar Sankranti is a Hindu festival which marks receding of winters. According to certain local traditions, when the 'Makar Rikha' (Tropic of Capricorn) faces the sun directly, that auspicious day is known as Makar Sankranti. According to mythology the 'Surya' or Sun enters in zodiac sign 'Makar' (Capricorn) on this day. People celebrate this day by eating sweets like Til Laddos, Gajaks and Kite Flying is a common manifestation of the joy on this day. According to Hindu calendar Makar Sankranti is celebrated on 14 or 15 January every year. Giving rice to hungry or poor people is seen as a big virtue. People also eat 'Khichadi' (Dish made of rice) on this day. This festival is celebrated all over India but mainly in regions of Gujarat, Punjab, Maharashtra and North India. This festival might not be a big festival but is celebrated by everyone as everyone enjoy this day and this festival gives us a reason to be good & kind and encourages us to donate.

## International Day of Education

24<sup>th</sup>  
January

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today."

The United Nations General Assembly proclaimed 24 January as International Day of Education, in celebration of the role of education for peace and development. UN very clearly has stated that "without inclusive and equitable quality education and lifelong opportunities for all, countries will not succeed in achieving gender equality and breaking the cycle of poverty that is leaving millions of children, youth and adults behind".

Education is a human right, a public good and a public responsibility and thus be secured to all.

On 24 January 2022, fourth International Day of Education was celebrated under the theme "Changing Course, Transforming Education". International Day of Education is a platform to showcase the most important transformations that have to be nurtured to realize everyone's fundamental right to education and build a more sustainable, inclusive and peaceful futures. It will be a step towards how to strengthen education as a public endeavour and common good, how to steer the digital transformation, support teachers, safeguard the planet and unlock the potential in every person to contribute to collective well-being and our shared home.

# English

Art Integrated Learning is a framework of experiential learning which provides an equitable learning environment for all learners through their own access points. Students engage in art activities and construct personal meaning through their learning in an art integrated environment. Children loved making Scare-crow with paper in their literature class. Integration of art with language helps in deeper understanding of the concept.

# Prep Graduation

***"When you would wish upon a star, Makes no contrast who you're , Anything your heart wants, Will come to you !!!"***

Prep Graduation is an exciting milestone for pre-primary children as it's their first step towards a future full of hopes and possibilities. Delhi Public School, Aligarh, organized the Graduation day on 29th March, 2022. The esteemed guests that graced the auspicious occasion were Ms. Aarti Nigam, Principal of PIS, Mr. Michael, head of Primary wing in PIS, and Mr. Stephen, Academic Co-ordinator of PIS.

The program started with the welcome of dignitaries and was followed by lighting of the lamp to invoke blessings from Goddess of Knowledge. Our guiding light, Principal Ms. Arti Jha, welcomed everyone and gave a bird's eye view of the achievements of the students and the laurels that they had brought to the Institution. The theme of the ensemble was 'A flight of imagination'. It was a blend of Dreamland and The Jungle Book, inspiring everyone to dream and take their flight of imagination. The cultural program mesmerized everyone gathered there.

Congratulations to all dear students for crossing another milestone of academic session. Learning never stops. Our focus will always be on discovering the potential of the students, building competencies and preparing them for life – to be able to learn, unlearn, and relearn constantly.

***"Every second brings a fresh beginning, Every hour holds a new promise, Every night our dreams can bring hope & Everyday is what you choose to make it."***
