Summer is messy,

Trip to the beach,

In the hot, hot sun,

Let's give the summer,

A big fat cheer!

Summer is the best time of the year.

Dear Parents,

Greetings from D.P.S. Fraternity!

Children are naturally curious and inquisitive about the world around them. As parents and teachers, it's our joy and responsibility to nurture this spark and make learning an enjoyable adventure. With summer vacation just around the corner, let's turn every moment into an opportunity to bond, explore, and create lasting memories with your little bundle of joy. Let this season be filled with laughter, connection, and shared discoveries. Whether it's a nature walk, a creative craft session, or simply reading a book together, every little experience counts. Celebrate the joy of togetherness and let curiosity lead the way to meaningful learning and fun!
